### Search Notes

Howie:

Attached are the results to your request regarding a cosmetic surgery preview system.

I'm not convinced I found anything relevant, but take a look and be sure. I found online questionnaires for skin surgery quite common, but couldn't find it in combination with previewing the changes prior to surgery.

If you have any questions or would like this search reworked in any way, please do not hesitate to contact me at the number or address listed above.

## Voluntary Results Feedback Form

➤ I am an examiner in Workgroup:  Example: 3730

➤ Relevant prior art **found**, search results used as follows:

- ☐ 102 rejection
- ☐ 103 rejection
- ☐ Cited as being of interest.
- ☐ Helped examiner better understand the invention.
- ☐ Helped examiner better understand the state of the art in their technology:

Types of relevant prior art found:

- ☐ Foreign Patent(s)
- ☐ Non-Patent Literature  
(journal articles, conference proceedings, new product announcements etc.)

➤ Relevant prior art **not found**:

- ☐ Results verified the lack of relevant prior art (helped determine patentability).
- ☐ Results were not useful in determining patentability or understanding the invention.

**Comments:**
